

President's Message

By President Jason Aultman

Greetings to the churches of the BMA of America! I hope 2016 has gotten off to a wonderful start and proves to be a year that overflows with God's abundant blessings on you and your church family.

I wanted to remind you that on April 25–27 we will gather in beautiful Gatlinburg, Tenn. for the annual meeting of our national association. I hope you will make plans to be there for what I believe will be an enjoyable and exciting few days together.

As an added feature at last year's meeting, opportunities were offered to attend workshops on various topics. The hope was that this would provide attendees a time to receive practical instruction and help, allowing us all to return to our fields of ministry better equipped to serve and lead effectively. The response was overwhelmingly positive, and we look forward to offering additional workshops at the upcoming meeting. Of course, these are provided in addition to the times of conducting business and opportunities to gather for worship.

A preliminary schedule for the meeting in Gatlinburg is on page 8 of the Jan. 13th *Baptist Trumpet*. I trust this overview will be helpful to you in planning your schedule and travel.

If the Lord returns before April 25, I will see you in Heaven. Otherwise, I look forward to seeing you in Gatlinburg!

The Committee on Arrangements has made its review and plans for the 2016 annual Association meeting. The facilities and hotels are looking forward to our meeting there. There is plenty of space for all of our meetings and lodging.

We Need Your Help!

When the BMAA Committee on Arrangements contracts with a convention center to host our annual meeting, the rental fee is normally tied to the number of hotel rooms we expect our attendees to use during the meeting. The rental fee in Gatlinburg is contingent upon our use of rooms blocked at the designated hotels. The rental fee will increase by the daily cost of each room not used.

The Committee on Arrangements has negotiated terms in Gatlinburg that will allow the conference center space to be greatly reduced if we use the total number of rooms blocked at the designated hotels/motels. Please help us fill these first to cap the cost of the rental space.

Our association has had to pay extra in the past years because many of the blocked hotel rooms were not used. Please help us avoid a situation like that this year. We appreciate your help.

— BMAA Committee on Arrangements: Leon Carmical, Charles Attebery and Jackie Manasco

Gatlinburg Parking is Limited

The Committee on Arrangements would like for you to know that the parking at the Convention Center in Gatlinburg is very limited, but there is pay parking close by. The city has promised to supply trolley service from each of the hotels to be available for all of the sessions. Most of the hotels are within walking distance of the Convention Center, but we realize there are some who may not be able to make these walks. We encourage you to take advantage of the trolley service.

The Courtyard (Marriott) is on the hotel list, but we have been informed that the room block is small and that all of the block has already been taken. Please take advantage of the other hotels listed for the BMAA. The listed hotels will give credit to the association that will lower the cost for us, and we need that.

If the Committee on Arrangements can be of help please let us know.
