

Lifetime Achievement Award

Request for names of those who have at least 60 years in the ministry and have not already been recognized at a national meeting ceremony.

Pastors I need your help in identifying those still living who have reached the milestone of 60 years or more as a minister. The cards, calls and emails that I have received from those who we as an association honored last year has been nothing less than inspiring. They thanked us for not forgetting their many years of dedicated service. Please check around and send in this form with your church letter so we can again honor those who are so worthy of praise. We are asking all who would be eligible to receive a certificate in Jackson Mississippi in April to be sure and go by the registration desk to verify that their names appear on our list. Even with our best efforts I am sure we will overlook some, but with your help we can keep that number to a minimum.

Thank You, Paul White
